Hi Vera,

How are you? Everything's good with me. I'm going to Edinburgh this weekend with Molly for her 25th birthday. I know you finished university there last year and I hope you can help me with something. We're looking for a restaurant to have dinner on Saturday night. What's your favourite restaurant? Do you know anywhere that's quite cheap and has good food? Also, where's a good place to sit outside and eat? And with a nice view of the castle? Are the restaurants in Edinburgh busy on Saturdays? Do I need to book a table?

Thanks for your help!

Stefano

Does she tell him to go to her favorite restaurant?

Sent: THURSDAY 19:30

Hi Stefano,

Great to hear from you and I'm glad you're well. My favourite place is the Castle Terrace because the food is amazing, but it's quite expensive. There's also a place called Kayla's Kitchen with good, cheap food. You can't eat outside there – it's not often very warm in Scotland – but it has wonderful views of the city from the rooftop restaurant. The waiters are really friendly too, so I think you should go there.

OK, have a brilliant time and let me know how your trip goes!

Vera

P.S. You should book a table on the Saturday night because it's very popular.
